

Attention Crafters

The Portland Agricultural Fair is looking for crafters. This year, to commemorate our 10th anniversary we are going to provide a one-day only Craft Fair. This will happen on Saturday - October 10th from 9AM until the fair closes. A 10x10 space, under an exclusive craft tent, will be available to qualified crafters for free. You will need to provide a certificate of insurance or insurance will need to be purchased thru the fair for \$75.00. Photographs of your crafts/booth will be required and no imports will be allowed. All applications must be submitted by July 1st. If you are selected to participate in the Craft Fair, a \$100 refundable deposit will be required. This is needed to be sure that selected crafters do show up on that date and don't leave us with an empty space in the tent. It will be returned to you on October 10th.

Otherwise, if you wish to be at the fair for the entire weekend (October 9-11), 10x10 spaces will be offered for \$200. These will not be under the tent, however, they will be in the general vicinity. You will need to supply your own tent and insurance is also required.

To apply for a space - please send an email to Joyce Murphy at JMurphy5_06480@Yahoo.com or call 860-342-0188 and ask for an application or visit the Portland Fair website at www.PortlandFair.com to download one. Be sure to note if you want a space for the entire weekend or just Saturday.
